Cancellation Policy:

Individual appointments are scheduled for a specific time. You will be charged \$50 for missed individual appointments unless the RD is notified of cancellation at least 24 hours in advance, or in cases of emergency.

Confidentiality:

All information disclosed within sessions is confidential unless specifically released by the patient to a specific person (Primary Care Physician, Parent, etc.) In cases of those under 18 years old, information discussed in sessions may be released to the individuals' parents or guardians without formal release if working with a Medical Provider. If working with a Mental Health Provider, the age of consent and release is 14 years old.

Late Night Appointment Policy:

Appointments that are scheduled for 6pm and later will fall under our "6pm locked door policy." This means that we lock our front door at 6pm, and will be letting clients in as they arrive at the scheduled appointment time. Please make sure you have your providers direct line if you tend to schedule late appointments.

Medical Insurance:

Medical insurance companies may or may not offer coverage for medical nutrition therapy or mental health counseling. Carefully investigate the type of coverage you have. It is your responsibility to pay for your visit and to have your insurance company reimburse you if applicable. You can be provided with a receipt and superbill that you can submit to your insurance company for reimbursement.

I have read and understand the above information.
